

Dear Patient,

Thank you for scheduling your exam and consultation in our office. Enclosed you will find several office documents. We ask that you bring the completed documents *and* your referral slip to your first appointment in the envelope provided. Please use **black ink** on all of the documents. Following is an outline of what we will need you to complete on each form.

Thank you in advance for your cooperation and we look forward to meeting you soon.

Thank you,

Dr. Martin and Team

Please complete the first page of the health questionnaire by answering all of the questions and listing any medications you are currently taking. Please include dosage (mg and times per day).

On the Insurance Verification Form, please complete the highlighted section. Please bring your insurance card.

The blue form is the first sheet of our Patient Privacy Statement. Please read it before you complete the green form. The blue sheet is yours to keep for your records.

The green form is the second sheet of the Patient Privacy Statement. There is a box in the center of the sheet, ***please answer each of the three questions***, then print your name, sign your name, and date on the lines below.
